(tweet / all of them / start to).
- (8) 彼らの歌はますます声が大きくなります。
(louder and louder / song / gets / their).

Look ! Three birds.
A mother bird and two baby birds.
The mother bird is carrying food.
She's going to give it to babies.
The baby birds are opening their mouths.
They're going to get food from their mother.
All of them start to tweet.
Their song gets louder and louder.
